SCRIPTURE UNION

Shining light in Northern Ireland

On the 18th November, Scripture Union Northern Ireland will be celebrating the 150th Anniversary of the work of SU. Who knew that from the humble beginnings of one man's vision to teach children the Good News of Jesus through the Bible that SU would now be working alongside the local church in over 130 countries, encouraging children and young people all over the world to grasp the reality of who Jesus is and the difference He can make in their lives. SUNI want to mark this significant milestone by inviting all those who have been involved, are currently involved or would like to know more about the work of SUNI, to come together for a very special evening. We will spend time looking back at our rich history as well as seeing all that we are currently involved in and then looking forward as we consider what God might be saying to us as we step into the next 150 years. It promises to be an amazing evening and SUNI would love you to join them at this once in a lifetime, very special event.
